AMTICO 20-YEAR COMMERCIAL PLATINUM WARRANTY

Amtico International Inc. hereby warrants that in the event the Amtico flooring supplied to the original purchaser under this agreement requires replacement due to wear-out from normal foot traffic within 20 years of the date of purchase, the defective material will be replaced free of charge. "Wear-out" means the removal of pattern and color from the Amtico floor caused by the removal of the protective wear layer.

THIS WARRANTY IS SUBJECT TO THE FOLLOWING CONDITIONS:

1. The Amtico floor is correctly installed using an Amtico approved adhesive over a properly prepared sub floor in accordance with the provisions of the Amtico Installation Guidelines.
2. The floor is regularly maintained using an approved maintenance system as laid out in the Amtico Commercial Maintenance Guidelines, using properly maintained equipment and the appropriate cleaning pads.
3. Adequate dirt and moisture retention matting is installed at all entrances, including, but not limited to, the tops and bottoms of escalators, and where there is the possibility of abrasive contamination being tracked on to the floor.

Information About Your Warranty Coverage

The 20-year limited wear warranty contained herein is the sole and exclusive warranty of Amtico International for Amtico products and is in lieu of all other warranties, whether expressed or implied, including any warranty of merchantability or fitness for a particular purpose. Amtico International Inc.'s sole liability with respect to such warranty shall be replacement of any non-conforming flooring. In no event shall Amtico International Inc. be liable for any incidental or consequential damages. It is the responsibility of the User to satisfy itself that Amtico flooring products are fit for such User's intended purpose.

In the event of any claim under this warranty, the Amtico International Inc. Technical Services Department should be contacted as soon as possible. Any claim made under this warranty will be investigated and the User will only qualify for replacement material under the terms of this warranty if investigation shows the floor has been installed and maintained as specified. Amtico International Inc. will then provide sufficient material, as close as possible to that originally supplied, to replace that found to be defective.

THIS WARRANTY DOES NOT COVER THE FOLLOWING:

1. Wear-out or damage due to incorrect installation, use of improper adhesives, maintenance or unevenness and irregularities in the sub floor. This includes any moisture problems in the sub floor, and the use of harsh scouring pads on buffing machines.
